

I Have Something I Want to Give Away

"Now, I have something that I want to give away – very much –
because when I can give it away,
then I can progress to another job.

And I want the other job if you don't mind; I'd like it.

It's been offered and I would like to have it.

But before I can do it, I've got to give away all I have.
I find it extremely difficult.

I see them take the words sometime and twist em around to fit
the Four Dual Basic Urges.
I see them use it in all sorts of strange and unexpected ways to gain
the Four Dual Basic Urges.

But I haven't seen anybody that will take it and use it.

Now, I'm still looking.

What it is that we want to give away is the freedom to
not be controlled by the Four Dual Basic Urges.

That is so simple.

I want to give it to somebody

anybody

that will then go use it to liberate some more people."
